

**Iowa Commission on Volunteer Service**  
**Statewide Performance Measurement Worksheet**  
**Community Strengthening**

**Title:** Iowa Statewide Recruitment and Management of Community Volunteers  
**Grant Year:** 2007-2008

**Performance Measurement Type:** OUTPUT

**Need:** One focus of Iowa AmeriCorps programs is to utilize community members to help solve local issues. AmeriCorps is designed to help recruit, train, and support community volunteers to meet the needs of communities statewide. Volunteer recruitment and management play an important role in helping AmeriCorps program's become sustainable over time.

**Output Result:**

1. Community volunteers are recruited and serve during the 2007-2008 AmeriCorps program year.
2. Special community service projects (one-day) with private and/or public service partners projects are completed during 2007-2008 AmeriCorps program year.

**Indicator:**

1. Number of community volunteers recruited and serve.
2. Number of hours served by community volunteers.
3. Number of special community service projects completed.

**Activity:** XXX AmeriCorps members will recruit, train and/or manage community volunteers to serve in continuous assignments and/or coordinate with private and/or public service partners to complete special (one-day) community service projects (may include Make A Difference Day, Martin Luther King Holiday, neighborhood park cleanup, mentoring, etc). AmeriCorps members will recruit volunteers and provide brief training and appropriate safety issues as part of the service project.

**Instrument:** *Volunteer Service Logs and/or Sign In sheet (can be for episodic and/or continuous community volunteers)*

**Targets:**

1. XXX Community volunteers are recruited, trained and/or managed and serve during the 2007-2008 AmeriCorps program year.
2. Community volunteers serve XXX hours during the 2007-2008 AmeriCorps program year.
3. XXX special community service project(s) are completed during the 2007-2008 AmeriCorps program year.

**Summary of Performance Measure:** XXX AmeriCorps members will recruit, train and/or manage XXX community volunteers and/or coordinate with service partners to complete XXX one-time special community service projects during the 2007-2008 AmeriCorps program year.

**Prior Year's Data:**
