

**Iowa Commission on Volunteer Service**  
**Statewide Performance Measurement Worksheet**  
**Participant Development**

**Title: Iowa Statewide AmeriCorps Participant Development: Civic Engagement**  
**Grant Year: 2007-2008**

**Performance Measurement Type: Intermediate Outcome**

**Need: OPTION 1:** A basic purpose of The National and Community Service Act of 1990 is to renew the ethic of civic responsibility and the spirit of community throughout the United States. AmeriCorps programs are required to provide training and use the service experience to help members acquire the knowledge, skills and attitudes needed to be active citizens of their communities.

**INTERMEDIATE OUTCOME:**

AmeriCorps members will report a positive increase in their knowledge, attitude and skills needed to be active citizens of their communities.

Indicator: Percent of members showing a positive increase of knowledge, attitude and/or skills in 19 of 25 areas of citizenship.

**Activity:** XXX AmeriCorps members will participate in XXX lessons of citizenship training totaling approximately XXX hours, provided by program staff during their term of service.

**Instrument:** *Member pre/post citizenship survey*

**Targets:**

1. XXX AmeriCorps members are trained in citizenship during the 2007-2008 AmeriCorps program year.
2. XXX AmeriCorps members have a positive increase of civic engagement knowledge, attitude and/or skills.

**Summary of Performance Measure:** XXX AmeriCorps members will participate in XXX lessons of citizenship training to increase their knowledge, attitude and/or skills of civic engagement by XXX percentage during the 2007-2008 AmeriCorps program year.

**Prior Year's Data:**
