## American Rescue Program Act Funding from AMERICORPS: (ARPA, ARP or 'Rescue Plan' funding)

Bucket #1: Increase in Member Living Allowance

Bucket #2: Match Replacement

Bucket #3: Expansion/New Programming or Members

*CNCS/AmeriCorps indicates that no separate tracking will be required for ARPA funds. There is no separate CFDA number.*

# IowaGrants Reimbursement Form

Claim Reporting-ARPA funds will be reported in IowaGrants.

Buckets #1, #2, and #3 will be reported under “expenses this period”. This allows Volunteer Iowa to pay these costs. We do not pay costs reported under the “Match This Period” column.

# IowaGrants State/ARP Match Form

## State Funds/ARP Match Replacement Only Form

Bucket #2 will be reported as 'ARP Match Replacement'. This will allow us to simultaneously count the funds as match, while drawing the funds through PMS and paying from federal share.

Buckets #1 and #3 will be reported in 'Federal Share' and combined with your 'regular' AmeriCorps funding.
